The Sacramento County Juvenile Justice Commission (JJC) is pleased to announce our annual Education for Success Scholarship Program, and it is prepared to award scholarships of \$1,000 to qualified individuals.

Youth who are or have been involved with the Sacramento County Juvenile Justice System, demonstrate a willingness to work towards improving themselves, completion of high school or GED, document in writing a positive educational plan for their future and have need for some degree of financial assistance are eligible for this one-time scholarship.

Initiated in 2006, the Juvenile Justice Commissioners voted to take advantage of a Sacramento County Superior Court policy that pays Commissioners \$25 per meeting for their voluntarily participating in JJC monthly meetings. It was agreed that all funds paid to the Commissioners are to be donated to JJC to support the Education for Success Scholarship Program. The Juvenile Services Council also has generously donated to this scholarship program.
