

State Water Resources Control Board Cases
No. JC 4118

Judge Roland L. Candee, Presiding

Minute Entry

This matter came before the Court on Monday, August 5, 2002, for the second day of trial on the merits in this proceeding. The Court had scheduled for hearing oral arguments on the issues of places and purposes of use. Since arguments were not completed on these issues, oral arguments will continue at 9:00 a.m., Tuesday, August 27, 2002, in this Department.

Following the completion of oral arguments on August 27, the Court will conduct a status conference to reexamine the remaining schedule for oral arguments in this matter and to address other case management issues.

Oral arguments on the “salmon doubling” requirement and the Implementation EIR will occur, as previously scheduled, at 9:00 a.m. on Wednesday, August 28, 2002.

The Court’s tentative ruling on Petitioner Stockton East Water District’s Motion to Augment the Administrative Record, announced on August 5, 2002, is confirmed. The motion to augment is DENIED.
