Superior Court of California, County of Sacramento
Waiver and Plea to Driving Under the Influence No Priors
(Vehicle Code 23152)

(For Court Use Only)

Defendant Name:
Case Number:

I, _____ , understand that I am charged with driving a vehicle on (Date) _____while under the influence of an alcoholic beverage or drugs or both (Vehicle Code Section 23152(a)), and/or while having 0.08 percent or more, by weight, of alcohol in my blood (Vehicle Code Section 23152(b)).

I understand that a conviction resulting from a plea of guilty or no contest in this matter shall be a prior offense for the purpose of subsequent sentencing as specified in Sections 23540, 23546, 23550, 23566 or 23622 of the Vehicle Code if I am convicted of a subsequent offense under Sections 23152 or 23153 of the Vehicle Code which occurs within ten years of this offense. In such a case, this conviction shall not be stricken by the court to avoid imposing the minimum penalties provided in the Vehicle Code for a violation of Sections 23152 or 23153 with prior convictions. I understand the penalties are:

A. **Maximum:** Fine of $1,000.00 plus penalty assessments of $2,700.00, plus additional fees up to an amount of $899.00, plus restitution to victim(s) in an amount to be determined, if any, or restitution fund assessment of $1,000.00, 6 months in jail, DMV suspension of driving privilege for six months, and ten months if court orders nine-month treatment program because of a blood-alcohol content of 0.20 or above or refusal of a chemical test, vehicle impoundment at defendant owner's expense for 30 days (unless defendant was driving another's vehicle or is exempted pursuant to Vehicle Code Section 23594), installation of an Ignition Interlock Device for up to 3 years, surrender of license to the court, and possible court disallowment of the DMV's ability to issue a restricted license.

B. **Minimum Without Probation**: Fine of $390.00, plus penalty assessments of $1,053.00, plus additional fees up to an amount of $767.00, plus restitution to victim(s) in an amount to be determined, if any, or restitution fund assessment of $150.00, 96 hours in jail, at least 48 hours of which shall be continuous, installation of an Ignition Interlock Device for 5 months, suspension of driving privilege for 6 months, and surrender of license to the court.

C. **Minimum With 3 to 5 Years Probation**: Fine of $390.00, plus penalty assessments of $1,053.00, plus additional fees up to an amount of $767.00, plus restitution to victim(s) in an amount to be determined, if any, or restitution fund assessment of $150.00 plus an additional $150.00 suspended pending violation of probation, completion of a driving-under-the-influence program of at least 3 months, or at least 9 months if blood alcohol level was .20 or higher, installation of an Ignition Interlock Device for 5 months, suspension by the DMV of driving privileges and surrender of license to the court. Standard probation terms and conditions to include: obey all laws, not drive a motor vehicle with any drugs or measurable amount of alcohol in your system, not refuse to complete a blood alcohol chemical test when offered by any peace officer, not drive without a valid California driver's license or without valid insurance.

D. **Minimum With 3 to 5 Years Probation, if Refused Chemical Test:** All penalties as noted in "Minimum With 3 to 5 Years Probation" above, and in addition: 48 hours in jail, completion of a driving-under-the-influence program of at least 9 months, and DMV suspension of license for 10 months.

E. I understand that I may be ordered to attend an alcohol and drug problem assessment program (Vehicle Code Section 23646(b)).

F. **Ignition Interlock Device:** I understand that, if convicted of an offense that occurred on or after July 1, 2010, I will be required to install a certified Ignition Interlock Device in any vehicle owned or operated by me, which will prevent the vehicle from starting if I have alcohol in my body, for a specified term of up to 48 months as required by the Department of Motor Vehicles prior to receiving reissuance of license or restricted license. Additionally, the court may also require this device for a term of one to three years. This requirement will be imposed if I am convicted hereafter of driving while my license is suspended or in violation of license restrictions.

G. **Commercial Vehicle:** I understand that the DMV will prohibit me from operating a commercial vehicle for one year if I am convicted of either of the following that occurred in any vehicle: 1) a first DUI offense or, 2) willful refusal to submit to or completed a chemical test to determine my blood alcohol level. The DMV will prohibit me from operating a commercial vehicle ever again if I am convicted of either of the following that occurred in any vehicle: 1) a second or subsequent DUI offense or, 2) willful refusal to submit to or complete a chemical test.

I understand that if I am not a citizen of the United States, I am hereby advised that conviction of the offense for which I have been charged may have the consequences of deportation, exclusion from admission to the United States, or denial of naturalization pursuant to the laws of the United States.

I have discussed any applicable immigration consequences with my attorney.

I understand that if I am currently on probation or parole for any other criminal offense, that such probation could be revoked as a result of my plea today.

I understand that my driver's license suspension or revocation from DMV administrative proceedings is independent of court-imposed penalties and that my driving privilege will not be restored until I provide satisfactory proof to the DMV that I successfully completed the required driving-under-the-influence program, whether or not such a program is required by the court.
