- Sheriff or Police Chief Notified of Deficiencies**

Comments –

Commissioners reviewed 12 detention logs, however staff identified that only 10 were considered secure detentions. Logs were in order however inconsistencies in recording required 30 minute-observations occurred in more than one case. There was one detention that lasted 12 hours, staff provided an email giving authorization and account of detention, however it is not clear what constitutes deviance from 6-hour maximum detention.
