## **Public Notice Implementation Of Electronic Filing in Civil Cases Effective January 16, 2024**

Effective January 16, 2024, electronic filing (e-Filing) in the Sacramento Superior Court is expanding to be implemented in Civil cases handled at the Gordon D. Schaber Courthouse and Hall of Justice Building. Electronic Filings will be permissive for parties until July 1, 2024, at which time they will become mandatory for litigants represented by attorneys. Self-represented litigants do not have to file documents electronically, though they are encouraged to do so.

Electronic filing of court documents occurs through a certified Electronic Filing Service Provider, or EFSP. The filing party creates an account with the certified EFSP of their choice, uploads filing documents, and pays any court fees and specific service or convenience fees to the EFSP. The EFSP transmits documents and fees to the Court. Once reviewed and processed by the Court, the documents will be accepted for filing or rejected. Endorsed copies of documents are returned to the filer through the EFSP.

A list of approved Electronic Filing Service Providers can be found on the Court's website at: <https://www.saccourt.ca.gov/efiling/efsp.aspx>.

Frequently asked questions for Civil e-Filing, including a list of documents and/or case sub-categories exempt from e-Filing, can be found on the Court's website at: <https://www.saccourt.ca.gov/efiling/docs/civil-e-filing-faqs-010924.pdf>.
